RESUMÉ.-

Manuel Pulgar-Vidal, Climate & Energy Global Practice Leader at World Wide Fund for Nature, WWF International as well Chair of the IUCN Climate Crisis Commission since 2022. He is a well-recognized climate leader and an active and innovator actor to strengthen Paris Agreement implementation. He is also active in promoting convergence among climate and nature objectives by working through both international processes in promoting mechanism to achieve that convergence.

He has 35 years of experience in environmental law and policy. He served as Minister of the Environment of Peru (2011 to 2016) and President of the Twentieth Conference of the Parties to the United Nations Framework Convention on Climate Change - COP20 in 2014. He was the Executive Director of the Peruvian Society for Environmental Law, an influential institution in Latin America. He has a law degree from the Pontificia Universidad Católica del Perú, where he is a professor, and has completed studies for a master's degree in Business Law at the Universidad Peruana de Ciencias Aplicadas.

He is a Board member of Forest Trends, Amazon Conservation Association and Peruvian Society of Environmental Law and a member of the Assembly of the World Wide Fund for Nature - Colombia. He is also Board member of F20 a platform consists of more than 60 foundations and philanthropic organizations from different parts of the world, calling for joint, transnational action towards sustainable development. He has recently been added to the Aspen Institute Management and Leadership Advisory Group and is member of the Advisory Group of the Center for Multilateral Negotiations. He is part of Climate High Level groups as Friends of COP26, Friends of Paris Agreement, Friends of Climate Action Agenda and Friends of Nature Action Agenda. He has just been appointed as Senior Ambassador of the Coalition for Urban Transitions. He is the chairman of the evaluation council of the French sovereign Green Bonds. He is an active member of different groups aimed to get strong outcomes as a part of the formal climate talks and the non-party stakeholders' agenda. He has been recognized by the governments of France, Germany and Spain and by the Royal Scottish Geographical Society for his contribution to the Paris Agreement.
